VOLUME NUMBER 97 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY October 4, 1956 | NUMBER 27

School Board Grant Salary Increases To Administrators

The salaries of Superintendent Wiley Loughmiller, Principals J. R. "Dick" Young and Leon Brady were raised $1,000, $900 and $900 annually in lieu of an expense account and "In cognizance of their positions as school heads" by the Cameron School Board Thursday night. It was the sense of the school board that the school heads are doing a "remarkably fine job" and each preferred the raise to an expense account.

The prorating of Cameron's Independent School District Insurance program among all the leading insurance underwriters in Cameron was on the nineteen point agenda. The Emory B. Camp and the George Childress agencies were represented at the meeting. A $53,340 coverage was awarded the Camp agency upon motion after much discussion in which the policy of distributing the School business more widely than in the past was held. The $53,340 policy had been placed through the F. L. Gregory Agency with the U. S. Guaranty and Trust Company, now defunct. Camp had purchased the Gregory policies. Vote on the placement of this policy found unanimous approval with Don G. Humble abstaining. The services of Rolan Carr of Cameron would be sought in appraising the school's property at Clarkson for the purpose of obtaining insurance on that property.

Doctor David Shapiro was appointed as team doctor for the 1956-57 season. It was noted by the mover of the motion that the appointment is "Without pay" and while the Doctor, a board member abstained from the vote he declared that it is his policy to render first-aid only and to then advise the injured athlete to see his family doctor, if further treatment was indicated.

The resignation of Nathaniel Grace, Band teacher of O. J. Thomas was accepted. He is expected to go to the El Campo school system immediately.

A 1957 Dodge Pickup was selected from seven local bids as being the best buy. It was purchased from the Schiller Motor Company.

Band members in the future will receive fifty cents on all game trips for food expense and for all other authorized short trips. All long or extended trips the expense allowance will be voted by the school board.

Rural based buses will be allowed to bring the public riders to the ball games as a result of board action. In regard to student ticket sales at the thirty cent rate the board decided to follow the league rules in all Yoe games and stop sale of the ducats at 6-p.m. and to all Yoe students at 1-p.m. on the day of the game.

While on sports the receipts of the O. J. Thomas game was brought to the attention of the board by Superintendent Loughmiller. The net for the first game played in Cameron Yoe stadium by the Bulldogs was $246. The second game with Snook netted $46.50 which, according to records was about the average income recorded for games played in 1955.

In the future only the three men authorized to sign checks for the school system will sign checks for the O. J. Thomas school according to decision of the board.

More Interest In Rain

But The HERALD Has Been Sold

It was cloudy Monday and for a while we were hopeful that the change in ownership of the HERALD would bring a rain. It didn't, but we are still watching the skies. Just now we feel that the people of Cameron are more interested in rain than they are in who owns the HERALD and how it's going to be operated.

But rain is something we can only wish and pray for, while running the Herald is a job over which we will presume to have some control. From now on, running the Herald is to be our chief business, one that we expect to enjoy and profit from.

We believe that Cameron is due a good rain and a good newspaper. We propose to do what we can to provide the latter, firmly convinced that the newspaper has one of the truly important and vital roles in any community. We feel that an indifferent newspaper can hinder a town while a good one can help the community grow and prosper.

We have pledged ourselves to the task of giving Cameron a top-flight publication dedicated to principles calculated to maintain harmony and prosperity. We intend to print the truth without prejudice and facts without favor. We hope that our brand of newspapering is pleasing to 99 per cent of the public and that the remaining 1 per cent won't come around to whip us.

To produce the best paper possible the publishers will seek the cooperation and help of everyone — the ladies in the various social clubs with their news, brides with their pictures and stories, the coaches, business people with advertising and projects, the interest and moral support of our 10,000 readers. We are confident of getting this support from the good people of Cameron and we hope that, with it, we can deliver the kind of paper you want to read. D.S.

Former Cameron Business Owner Dies At Navasota

Louis S. Pierce, owner of the Cameron Department Store here from 1919 to 1932, died Saturday night in Navasota. Funeral services were held Monday morning.

Survived by his wife and several children and grandchildren, Mr. Pierce was a retired business man, farmer and rancher at the time of his death.

He was well known in Cameron and the surrounding area although he lived in Navasota at the time he owned the local business.

Cameron Herald Adds Erudite News Staffer

Gene Hayes, formerly of Refugio where he was associated with the Snooks Publications, is now with the Cameron Herald. He will be in the editorial department of the Herald.

A journalism graduate from Auburn, Hayes has had experience with daily newspapers as well as weeklies. His experience in the daily field includes sports and political writing with the Birmingham News and Age Herald and industrial writing with several California newspapers. He also put in one tour of duty during World War II in the Pacific Theater writing technical articles on warfare equipment.

During the last few years while associated with weeklies, Hayes has been primarily interested in preparation of farm, ranch, sports, oil field and feature articles.

Herald Sold This Week To Don Scarborough

Sale of the Cameron Herald to Don Scarbrough of Georgetown was announced this week by Milton F. Brown, Jr., publisher here for the past five years.

Mr. Scarbrough took charge Monday, announcing that all personnel of the Herald would be retained and that additions would be made to the staff at an early date.

"My associates and I are convinced that Cameron is entitled to one of the very best weekly newspapers in Texas and we are going to do our best to make the Herald meet those standards", Scarbrough declared.

Mr. Scarbrough is a well known figure in central Texas newspaper circles. He has published papers in Taylor and Elgin and now owns the Williamson County Sun, in Georgetown, The Thorndale Champion, Granger News and is interested in other publishing ventures.

Mr. Brown, owner of the local radio station, will devote his full time to radio work. In addition to the Cameron station, he has interests in other states which require a great deal of his time.

Water - Sewer Bond Issues Pass In Close Vote Saturday

Water and sewer improvement bonds voted on in Cameron Saturday carried by a 302-228 vote for the water issue and the sewer issue carried by a 292 to 220 vote.

By the vote of the people Cameron will now get a modern water filtration plant and be equipped with lines and pumps that will supply a city of 12,000 population which is expected in Cameron by 1975. This improvement will gain for the city a state approval which, in itself, will cause the town to grow according to estimates of the Consulting Engineering firm of Joe J. Rady and Company which was employed to work up the details of the water and sewer needs in Cameron.

The sewer bonds in the amount of $175,000 will afford a sewage treatment plant which will make Cameron's disposal system come up to state specifications on the use of a state stream in which the waste is disposed. Money is provided in this issue to allow collection mains to un-sewered sections of the city.

The firm of Henry J. Keller and son of Fort Worth was hired as financial advisors and the firm came up with the method of retiring tax bonds in thirty-three years by an increase in the water revenues by an approximate 25 percent increase. The city enjoys one of the lowest city water rates in the state and is said to be the largest town, taking water from a surface source, and delivering it un-filtered to the users.

Mayor Weems said "I am awfully thankful for what the people did in passing the bonds and we are not going to disappoint them."

Councilman Thompson stated "We must push the engineers to complete construction plans because that is what the people want and that is what we should give them." Councilmen Brady and Mondrik concurred in the expressed desire for "Full speed ahead."

It was deemed advisable to guess the bond market to the extent of waiting until after the November 6 national elections before selling the bonds. The earliest possible time, Henry Keller Jr. said would be October 23.

WITH WATER AND SEWER improvement and extension on their minds Cameron's City Council is shown canvassing returns from the Saturday election in which both bonds for a total of $550,000carried.

Reading left to right are Councilmen Roy Griffith, Clifford Thompson, Grady Stidham and Mayor Robert Weems, seated and standing left to right, Council men Charles Brady and Lincoln Mondrik. Across the table is City Secretary Wayne Weiser.

Magnolia Oil Right Of Way Condemned By City

Condemnation proceedings have been filed by the city in the instance of the Magnolia Petroleum Company whose property is needed as right-of-way for widening of state highway 36, it was announced in City Council Tuesday night.

Canvassing of the Saturday bond vote was the first order of business for the council and on this subject Councilman Thompson stated that he felt "We should press the engineer to go forward with construction plans as fast as possible because that is what the people want and expect."

Alvin Hefft, Water Superintendent reported that an 18 million gallon release of water was made at the Belton Dam Tuesday morning at 10 a.m. with a Cameron tag on it. A letter was received by City Secretary Weiser from the City of Rosebud requesting information in regard to a possible request of that city for 10 thousand gallons daily in the near future if the occasion arises. The Falls County city may have to ship the fluid in by rail.

An ordinance levying the poll tax of $1 for the city was passed with the notation by the city secretary that all those who have just been taken into the city are eligible to pay the city poll.

On motion of councilman Stidman a committee composed of himself, Lincoln Mondrik and Roy Griffith was appointed to call on the County Judge, and commissioners, to start negotiations toward a more equitable bearing of the burden of fires outside Cameron's City limits, by the county. Councilman Thompson expressed the thought that the county might agree to an annual minimum charge which would allow the city to amortize purchase of a truck designed for fighting of grass fires.

The Sanitary Department report presented by W. D. Bigbee was to the effect that twice weekly pick-ups of trash at the schools can be made for $5.00.

In regard to trash pick-up in town Councilman Thompson came up with his idea for abandoning the ad valorem tax on automobiles in favor of a 75 cent garbage collection charge. Councilman Brady concurred by saying "Right now the ad valorem tax payers are picking up the tab for all of the trash hauling for everyone in town.

Yoemen Face Marlin Eleven

Coach Leo Jackson's Cameron Yoemen will meet the 1956 grid team from Marlin in Yoe High Stadium Friday night at eight o'clock. Coming from behind after a 12-6 defeat by Bryan last Friday, the Yoemen will go into this game from which the results will depend entirely upon a keen fighting spirit by the local team.

With all things being equal and with the spirit shown by the Yoemen in their previous games, Cameron fans would be looking for another game in the "win" column. However, things are not the same and not equal with the circumstances prior to those previous games.

Gene Hillman, 210-pound left tackle for the Yoemen, is out of the lineup for tomorrow night and probably for all the games during the forthcoming month. He received an appendectomy operation last Monday which incapacitates him for gridiron activities for a time. His loss as left tackle on the offense and as middle guard on the defense is a great loss to the entire team.

Although the Yoemen faced Bryan with only 18 men suited out there is a possibility that Coach Jackson's reserves this week may again be light. Monday with a total of 45 men on both the A and B squads, there were 17 out with a virus ailment. Five of these were still out Tuesday noon. Jackson said there was a possibility that day noon. Coach Jackson said there was the possibility that others could come down with the virus and that whether they did or not, scrimmage schedules for this week were seriously handi-

See Yoemen — Back Page

YOE DILLON MOVES FOR EIGHT

Yoe fullback Guy Dillon moved for eight yards and a first down against Bryan last Friday night. No. 33 of Bryan failed to get the charging Dillon down, but No. 25 for the Broncs, although blocked to the ground by Yoeman Warren Rinn, did make the tackle. Yoeman Ray Green, No. 83, is identifiable in background.

BOWLING LANES

Maple Men's Bowling league got underway Tuesday at 7:30 p.m. at the Cameron Bowling Alleys with eight teams in the running. The bowlers are most enthusiastic and look forward to this season with much anticipation. Many new faces are at the lanes this year. These boys hailing from Rockdale Temple and Rosebud. The sponsors were there rooting for their boys; Dana Kestenbaum - Falstaff, Ray Lester - Pearl, Richard Williams - First National Bank, Glenn Abercomby - KMIL, Frank Hyder - Alcoa, H. Green K of C Temple Council, Galin McCoy - Grand Prize and Dr. Pepper.

KMIL got real hot the second game and rolled a sizzling 771 series. D. Beck is classed as the champ this week with the high game of 192 with four strikes in a row. Doc Boyce second with a 188 game. The way some of these boys bowl and are improving, it won't be long before these games will be bypassed with scores well over the 255 mark.

Good bowling was demonstrated by the many splits that were picked up. E. Orsag, L. Marak, R. Michalka, P. Susik and C. Burke all picked up the 3-10 split, while Doc Boyce, S. Chernosky and L. Hollas knocked over the 4-5 split. The 5-10 splits were no match for R. Richter and R. Michalka, while the boy from New York, J. Rice, bowled over the 3-7 split which is extremely difficult. The high three games were D. Beck - 506 series, J. Boyce - 497 and S. Patillo - 481 series.

Pete Susik, the president of ABC league this year, leads in the turkey dept., by turkeying out in the last game. Other turkey shooters were C. Burke and R. Michalka.

The winter mixed league will begin in the very near future. Teams will consist of two men and two ladies. Any one interested in this league please contact Emil Hollas or call 1002.

League Standings	W.	L.
1.First National Bank	3	0
2. KMIL Radio Station	3	0
3. Temple K of C	2	1
4. Falstaff	2	1
5. Pearl	1	2
6 Dr. Pepper	1	2
7. Grand Prize	0	3
8. Alcoa	0	3

Look for the Bowling Lanes next week.

Today's Text—Except the Lord built the house, they labour in vain that build it.—**Psalm 127:1.**

Father, help us to see the wisdom of building thy way, not only for this left, which is fleeting, but for eternity. In the name of Jesus, thine eternal Son, we pray.—

—Amen.

Herndon Wilson At McCloskey After Surgery

Herndon B. Wilson, a sergeant in the Marine Corps during the Korean War, underwent surgery at McCloskey Hospital in Temple at 8 a.m. Tuesday. Son of Bassel Wilson, his condition has been reported as serious but is expected to improve soon. He is then expected to go through another operation.

Sgt. Wilson spent the six weeks prior to his Tuesday operation confined to Scott and White Hospital in Temple, Wichita Hospital and Veterans' Hospital at Temple and Waco.

1957 Fords Unveiled At Hefley-Stedman Showroom Wed.

They are now here in Cameron! Those 1957 Fords are currently on display at Hefley-Stedman Motor Company, 115 North Houston St., Cameron, Texas.

Again destined to be a sales leader in the automobile field, the new Fords come in a variety of models and a number of new colors and color-combinations. Going on display Wednesday morning in the local showroom was a ranch wagon, a Fairlane 500 and a Custom 300.

Hefley-Stedman also have a number of other new Fords in stock for their potential customers.

Fischer Re-elected SCD Supervisor In Tuesday Election

Edwin Fischer of Buckholts was re-elected as a supervisor of the Soil Conservation District. Election was held between 2 p.m. and 4 p.m. last Tuesday in the District Courtroom of the Milam County Courthouse.

There were 14 votes cast in the election. Officials for the election were Lester Byrd, chairman; Joe Marek, secretary, and Cornelius Titsworth and Ed Pagel, tally men.

Yoemen B-Team Meet Marlin Gridsters There Tonight

B-Team of the Cameron Yoemen travel tonight to Marlin for their third game of the 1956 season. Coach of the B-string is Coach Murphy Webster.

In their two previous contests, the B-team defeated the Salada A-squad 25-0 and the Bryan B-team 6-0.

NOTICE

Tickets for the Marlin Bulldog and Cameron Yoemen game Friday night are on sale at the office of the Yoe High Principal.

Reserved Seats are $1.25 and advanced sale of student tickets are .50 cents. Student tickets at the gates will be .75 cents.

During district play the tickets for local students will have to go off sale at 1 p.m. on the day of the game at the thirty cent rate. Out of Cameron students can call the office and have them reserved or get them at the gate until six p.m. After that hour all student tickets will be seventy five cents.

This policy will prevail for all games during he Yoe season.

INTRODUCING: Joseph Frank Sullivan, 8 pound, 12 ounce son born at 11:14 p.m. on Wednesday, September 26 to Mr. and Mrs. Wray Sullivan, in St. Edwards Hospital. The mother is the former Kay Mondrik.

Watershed District Plans $3,000,000 Project Here

A large group of interested people met at Seaton Hall on September 27 at 7:30 p.m. to further the cause of the Elm Creek Watershed Control District.

This Watershed is comprised of nearly 192 thousand acres comprising as fine agriculture land as there is in the state.

There will be a meeting of the Elm Creek Watershed District at Oenanville at 7:30 p.m. tonight, Thursday, Oct. 4, for those interested in furthering the cause of creating a Control District announces Milam Chairman K. D. "Buster" Griffin.

This high priced land, much of which is cultivated and located in creek bottoms has its upper reaches near Moody and ends at a point below Cameron where the Big Elm runs into the Little River.

It is bounded on one side by Rogers, Heidenheimer and Buckholts and on the other by Westphalia, Bellfalls and Barclay. This area suffers from 525 thousand dollars damage annually because of the floods and erosion.

The control program, of which K. D. "Buster" Griffin is chairman, in meeting at Seaton Hall showed slides narrated by Carl Young of Temple showing working details of retention structures.

Mr. Moon, Assistant State Conservationist in charge of the Watershed projects gave the group a more complete picture on the need of organization.

"This is an estimated three million dollar project to be paid for almost wholly by the government and before the government will turn over this amount of money to a group they must have satisfied at least three requirements:

October Proclaimed Enrollment Month For Parent Teachers

October has been proclaimed parent-teacher membership enrollment month by Governor Allan Shivers, by Mrs. Leon S. Price of Dallas, president of the Texas Congress of Parents and Teachers, and by Mrs. Rollin Brown of California, president of the National Congress.

Mrs. Price said: "We, who love children and youth and have faith in their future, are afforded an opportunity to give special invitation to our neighbors to join the more than a half million members in Texas in our continued efforts to build better homes, better schools, and better communities."

Mrs. Brown: "Once again we all mother, fathers, teachers and other interested citizens. Our or- extend our traditional welcome to Pimpler, assistant fire chief.

In Mrs. Zelisko's Six-C, Margaret Mosely was named president. Jimmy McGregor, vice president; ganization has grown tremendously since the first special invitations went out during the closing years of the last century. Today we have a vastly larger member ship - more than ten million.

"The administration program details our determination to remove all blocks in the way of the finest schools, the most wholesome communities, the best family life for all our children."

Practical Politics Part Of Yoe Extra Curricular Work

By Carole Heitman and "Bo" Patterson

Practical training in politics is an extra-curricular activity at Yoe High.

Tuesday, September 25 was election day for a president of the Student Council. Election day followed just one fast week of campaigning by the four candidates fully equipped with campaign managers, literature, signs and all. Public speeches, hand shaking (there were no babies to kiss), back-slapping and recalling of old times back in Ada Henderson and the good times we had together. Promises were not a small part of the lively campaign.

When the dust had cleared a senior, Dwight Hughes, was president and Rita Moraw vice president in a "Sudden Death" election (without a run-off).

Hughes campaign manager was a sister senior, Kay Camp, (a name which is always good in Milam County politics). Hughes played his high card when he chose campaign managers.

Campaigning for Miss Moraw was Rita Reid. This young lady needs a little more seasoning in politics. By not getting a male manager who could have swung the ladies votes to the Moraw bandwagon she relied only on the male vote by this powerful combination of beauty.

Peggy Burke, a junior candidate played the same bad politics by "hiring" Carole Heitman as campaigner only to completely confuse the male voters and lose heavily on the female side.

Billy Hensley, a sophomore, chose Allen Dodson to campaign for him. As good a pair of female vote getters as ever ran a "Soap Box Derby," but here again was the sad mistake of not widening their voting base. They probably got as many male votes as any other pair of high class young men would have gotten but the vote tells the story. Hensley will be in there next year pitching.

The council met on Wednesday, September 26 to complete the organization, by electing Rita Reid as secretary, Kay Camp as treasurer and Carole Heitman as reporter.

Miss Heitman wasted no time in getting together a report on the political scene at Yoe High and with that report and the imagination of the Herald staff reporter we have given a "Peek At Yoe Politics."

Ada Henderson Busy Electing Officers; Queen Candidates

Students of Ada Henderson have been very busy with many activities, one of the most important of which was the election of class officers.

Six-A with Mrs. Crockett as teacher chose Allen Byer as president; James Heitman, Vice president; Bill Looney, secretary-treasurer; John A. Smith, fire chief and Raye Baggerly, assistant fire chief.

In Miss Jeter's Six-B Bob Dymke was made president; Linda Tucker, vice president; Mary Ann Rice, secretary-treasurer; James Parker, fire chief and Donald Patricia Raymond, secretary-treasurer, Jane Matyastik, fire chief and Carolyn Griswold, assistant fire chief.

Mrs. White's Seven-A saw Don Brashear made president; Stanley Sommer, vice president; Alice Clark, secretary-treasurer; David Hudson, fire chief; and Ronnie Williams, assistant fire chief.

In Seven-B taught by Miss Sproull, Stanley Kirk was elected president; Barbara Reynolds, vice president; Sandra Miller, secretary-treasurer; Sandra Baskin, as fire chief and two assistant fire chiefs, Kay McDonald and Curtis Matthews.

In Seven-C, under Mr. Canady Tenna White is president; Suzanne Lippman, vice president; Margaret Nance, secretary-treasurer; Steve Malone, fire chief; Albert Horelik, assistant fire chief.

Mr. Adams Eight-A found Ann Allison elected president; Pat Wilkinson, vice president; June Weems, secretary-treasurer; David Barkemeyer, fire chief and Bobby Griswold, assistant fire chief.

Vera Ann Perrin was made president of Mrs. Adams Eight-B Virginia Reichert, vice president Timothy Tucker, secretary-treasurer; Norvell Barrett, fire chief; Carroll Fikes, assistant fire chief.

Helen Reid was elected president of Mrs. Carleton's Eight-C with Glenn Blake, vice president; Charlene Holland, secretary-treasurer; Earl Morgan, fire chief; Douglas Parker, assistant fire chief.

Candidates for Carnival Queen were chosen by grades as follows: Fourth Grade-Rebecca Graham, Fifth Grade-Patsy Titsworth, Sixth Grade-Patricia Raymond, Seventh Grade-La Nelle Russell and Eighth Grade-Rebecca Foster

Vera Perrin and Helen Reid are reporters for Ada Henderson.

Bookings Indicate Capacity Prison Rodeo Attendance

The special box seats which were added to the million-dollar Prison Stadium at Huntsville for this year's Silver Anniversary Rodeo, have been completely sold out for all four "Each-Sunday-In-October" performances more than two weeks before the October 7 opening show. The prison's Rodeo Ticket Office advises that refunds are being made daily due to the quick response on the part of the rodeo fans to these preferred seats.

V. A. Compensation Review Expected Complete By 1960

More than 94 percent of the 4642 compensation and pension claims of veterans in this area which have been reviewed were accurate and required no monetary adjustment, Dr. George T. McMahan, Manager of the Veterans Administration Center in Waco, said today.

The review was started in 1954 and is being conducted on a "time available" basis in order to keep VA's day-to-day work current. Dr. McMahan estimated the review will be completed in the Waco office by early 1960

The purpose, he said, is to double check the accuracy of payments made shortly after World War II when the agency was receiving nearly a quarter of a million claims a month, and had to recruit and train thousands of new employees to handle the applications.

In Waco, adjustments were found necessary in only 282 cases, or six percent of the total claims reviewed thus far.

Increases were authorized in 32 cases and decreases in 78 cases. Payments were terminated to 165 veterans.

Of the terminations, 28 were ended primarily because of improvement in the condition of veterans to a level no longer justifying monetary awards and 137 were terminated after VA found "clear and unmistakable error" in associating the disability with the period of service.

So far, VA has reviewed more than 572,000 compensation and pension claims throughout the nation and found that more than 95 percent required no adjustment.

Homemaking Class Elects Cecelia Hubnik President

Cecelia Hubnik has been elected president of the Homemaking III Fifth period class and Bettye Lou Gibbs, vice-president; Anita Archer, secretary and Mary Jo Maddox, reporter.

The class, under direction of Mrs. W. T. Whatley, teacher will have the devotional for the regular meeting on Monday October 1, of the Future Homemakers of America when initiation of new members of the Junior Chapter will be held.

"The Gift of Love." is a devotion written by Betty Sue Russell of Hawkins, Texas and was presented at National F.H.A. Convention held in the summer.

Characters in the devotional are UNSELFISHNESS portrayed by Mae Fisfeldt; PATIENCE, Beulah Edmondson; HUMILITY, Bettye Lou Gibbs; KINDNESS, Mary Marak; FORGIVENESS, Emma Ruth Hearne; SINCERITY Cecelia Hubnik. "These are the ingredients of this great gift of love."

Milly McCall, Frances Hubnik, Marye Horstmann and Mary Jo Maddox (narrator) will be in charge of the F.H.A. Prayer Song.

All parents, friends and the general public is cordially invited to the Future Homemakers meeting.

It's a Great Time to Strike a Bargain

(You get a triple Bonanza in today's Buick)

Bonanza Trade-in Allowance

—because your present car is at its peak value right now. And because—with Buick so solidly set as America's No. 3 Best Seller—our bigger sales volume permits us to make you an even better trade-in allowance.

Bonanza Buy

Buick prices start right next to those of the smaller cars. But those Buick dollars buy you a whale of a lot more automobile—more room, more power thrill, more styling freshness, more ride stability, more solidity of structure—the Best Buick Yet.

Bonanza Resale

A Buick always resells high. But the '56 Buick will bring you even more money when you trade it because it carries today's new Variable Pitch Dynaflow.* It's the most advanced transmission yet developed—and the only one that breaks with the past to bring you the switch-pitch performance and gas savings of the modern plane's variable pitch propellers.

With Buick booming up in the No. 3 sales spot, we're set to rate your car at its peak trade-in worth *right now.*

With only two smaller cars outselling Buick—you can be sure we know how to make you happy on price.

And see how much more your dollars buy here . . .

—The fun of Variable Pitch Dynaflow* with its thrilling switch-pitch action. The might of Buick's big V8 engine.

—And the luxury of Buick's ride—a ride that knows no equal.

Why don't you come in today?

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

P. S. We have some especially good buys right now on the high-powered CENTURY and the extra-spacious SUPER. Better see 'em real soon!

AIRCONDITIONING at a COOL NEW LOW PRICE
It cools, filters, dehumidifies. Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING

Sunday School at 10 a.m. Morning worship at 11. BTU at 7:45, followed by evening worship. Praye

UPSET-MINDED YOEMEN BOW TO BRONCS, 6-12

Pass Plays Prove Cameron Undoing

A horseshoe wrapped in the green and white of the Broncs of Bryan was presented to representatives, Rita Moraw and Duane Jekel of Yoe High in ceremonies preceding the Bronc-Yoe conflict Friday night in Bryan. This token of friendship may have been the factor which gave the margin of victory to the home team.

Dillon took the opening kickoff on his 25 and returned seven and then a quick sucession of penalties cost the Yoemen five and then the Broncs 15.

The Broncs took charge of the ball long enough to lead the visiting fans that they were going to witness an ineffective Bronc passing game throughout the evening but the Cameron partisans were later to be disillusioned.

Mr. Marek, a terrific ground gainer for the Yoemen, added to the early game confidence of the Cameronites with a dash toward pay-dirt only to be overhauled from behind only four yards short. A trip that never paid off. The ball went over on the Bronc five.

After a kick out of the danger zone of the Broncs a drive which included a nice gain by Archie Mraz found the ball slipping from his clutch and a Bronc recovery.

At this stage the Broncs suffered a heavy penalty for unsportsmanlike conduct.

Following the penalty a bad pass from center sent the ball over the back man's head and it was recovered by Yoe for a first and ten on the Bronc 24.

Marek fumbled in this series on the Bronc 11. As the Broncs took over the ball the unsuccessful passes of the Broncs early in the game were offset by a beautiful connection from Brewer to Sheffield for a touchdown.

The score 6-0 favor of the Broncs they started connecting with the passes and after Walker intercepted a Yoe toss on his own 39 a successful Brewer-Sheffield pass came up next and then Mr. Brewer was caught in the act of trying to toss he fumbled and recovered. The ball went over on downs with two seconds left in the half with not enough time for a Yoe play.

During the halftime activities the marching Yoe band "Marked Time" with a simulated Grandfather's Clock. The action of the hands of the clock and the pendulum was described by Jimmie Asher with the side remark that the time indicated on the clock would be "At least as accurate as the time on the Milam County Courthouse clock." The sideshow was the action of the Yoe twirlers.

The Bronc band and twirlers gave out with a nice bit of marching and some expert twirling.

Yoe had to kick off to Bryan because of the two second possession of the ball as the half ended.

A succession of blocked kicks, fumbles and recoveries soon found the ball in possession of the Broncs and a dash over guard position found him as surprised at being loose as anyone on the field and he dashed 26 for a tedee to make the score 12-0 in favor of the home team.

With three minutes and forty seconds to play in the game two Cameron backfield men were in motion and almost got by un-detected but were penalized for the mis-cue. Dillon did the heavy ball toting in this series and for successive first downs carried the ball into Bronc territory where Jesse Kirk, finding no pass receiver open made it a first down on the Bronc 19. Dillon then started carrying the mail and after getting hurt temporarily came right back to run the ball over for the only Yoe tedee. The Kirk placement was wide by inches. Score Bryan 12, Cameron 6.

Approximately 200 fans followed the Yoemen to Brazos Courty and losing the game, while expected by the writing fraternity in the cities, actually found the fans from Cameron not downhearted but feeling that their team has what it takes and in the season "counters" the Yoemen are expected to come through.

At a meeting of the "Downtown Quarterbacks" Monday night, Principal Dick Young declared that he is in the position of the fire-horse turned out to graze. When the fire-bell rings the horse can only run up and down the fence and snort. The erstwhile coach went so far as to say that he doesn't even have much "snort" left but that from his sideline vantage that he feels that the boys are coached by "Craftsmen" and ventured the unqualified estimate of the remainder of the season "I honestly believe we will not lose another game."

Coach Leo Jackson, before the Quarterbacks, reported that an A and M Coach told him at the Bryan game that his was one of the nicest trained high school teams he had ever witnessed.

Badger Six Open District Play Tonight

The Buckholts Badgers and Sharp Mustangs will open their 1956 district play Thursday night on the Badger field at 8 o'clock.

The Badgers have lost three out of four this season with the Mustangs dropping both of their encounters this year. Both teams have lost to Pluggerville and Turnersville.

Both teams are in fine shape for the affray and a hard fought battle will be in order for the 6-Man football fans of this area. Power vs. power will be on display

☆ News From Milano ☆

MRS. DAN ROBINSON

The Milano Roping Club gave a barbecue Tuesday night at the roping pen with about 40 in attendance.

Mrs. Curtis Miller, Mrs. Ray Miller, Mrs. Carol Davidson and Mrs. Billy George Miller of Hearn were in Killeen Tuesday on business trip when the latter bought a new house trailer.

Visitors in the home of Mr. and Mrs. Elbert Westbrook Sunday were Mr. and Mrs. James Brewer and children of Waco. Mr. and Mrs. Eldon Ball of Elgin; Ronald Westbrook of Brenham and E. C. Ball of Milano. They met to celebrate Mrs. Brewers birthday.

Mrs. Rupert Stewart, Mrs. Roy Corbin and Mrs. Fred James made a business trip to Temple Tuesday.

Mr. and Mrs. Richard Deen of Galveston spent a few days here last week with his mother, Mrs. Ellen Deen. She accompanied them home Saturday. She will be gone several days.

A Chili Supper given by the Ladies of the Cemetery Association Saturday night was attended by Mr. and Mrs. W. O. Newton of Cameron; Mr. and Mrs. Charlie Martin of Rockdale; Charlie Ashley of San Antonio and Miss Donna Lumas of Rockdale.

Mrs. Arthur Moore and son, Howell, of Temple spent Sunday here with her mother, Mrs. Dan Robinson.

Mrs. Elbert Westbrook and Mrs. Eldon Ball spent Wednesday in Waco in the home of Mr. and Mrs. James Brewer and family.

Lt. Lloyd Woods Jr. flew from California Friday to spend the weekend here with his parents, Mr. and Mrs. Lloyd Woods Sr. He was met at the Bryan Airfield by his parents. He will leave soon for over-seas duty.

Mrs. Sybil Martin Morrison of Long Beach, California is here for a month visit with her mother. Mrs. Morrison was accompanied here by her husband but he had to return home.

Mrs. Archie Newton Graham has opened his filling station and garage. It is a useful addition to the town.

Sgt. Reuben Tamez In Third Armored Division

Army Sergeant Reuben G. Tamez, son of Mr. and Mrs. Ysidoro V. Tamez, 406 S. Austin Ave. in Cameron, is a platoon sergeant in the 3d Armored Division in Germany.

D. M. Nichols Suffers Stroke, Is Improved

Mr. D. M. Nichols, a lifelong resident of Milam County is in a critical condition as he suffered a stroke on Friday September 21. He is said to be improved at this time.

Model CJ-5 Universal 'Jeep'

Does jobs ordinary vehicles can't handle!

The Universal 'Jeep' takes ordinary jobs in stride. Then, for the tough ones, with the extra traction of its 4-wheel drive, and a special low gear range when needed, it takes personnel or cargo through mud, snow, sand or soft earth—on or off the road, in all kinds of weather. For travel at highway speeds it shifts into conventional 2-wheel drive. This versatile vehicle hauls heavily loaded trailers—and with power take-off operates a wide variety of mobile equipment.

4-WHEEL-DRIVE UNIVERSAL 'Jeep'®

WILLYS... world's largest makers of 4-wheel drive vehicles

Somewhere in the blueprint stage . . . this is a statement that's being made more and more often. There's wisdom behind it, too. Building a new home without an electric kitchen is somewhat like building a 1940 model automobile! So, if you're planning a new home, build it to modern standards . . . be sure your architect's specifications provide for an all-electric kitchen including the latest in electrical cooking, dishwashing and other conveniences . . . and really get your money's worth of modern living.

Reddy Kilowatt says: The heart of the home is the kitchen. Make it modern . . . insist on electric appliances . . . *live better, electrically!*

LIVE BETTER ELECTRICALLY

If you look the world over, you'll never find so much good entertainment and spectacular fun as you'll find at the 1956 State Fair of Texas. This year's extravaganza, October 6 through 21, will present a kaleidoscopic program of sparkling entertainment, fashion shows, football games, livestock shows, agricultural and industrial exhibits, contests and special events, youth activities and carnival merry-making. There's something wonderful for everybody at this festival of fun!

Imagine these shows: "DAMN YANKEES" starring Bobby Clark and Sherry O'Neil, ICE CAPADES featuring "Peter Pan," Joie Chitwood's AUTO DAREDEVILS, and many new rides and shows on the MILLION $ MIDWAY.

COTTON BOWL FOOTBALL: Texas A&M vs. Texas Tech on October 6, Texas vs. Oklahoma on October 13 and many big high school games.

And the big name talent: ELVIS PRESLEY on October 11, LOUIS ARMSTRONG on October 15, THE SPORTSMEN and ROGER WILLIAMS on October 16, VICTOR BORGE on October 20, FIESTA MEXICANA on October 9.

The fabulous sights: an ESPLANADE OF LIGHT, PAN-AMERICAN LIVESTOCK SHOW, a GALLERY OF PRESIDENTS in the Art Museum, amazing EXHIBITS in the Automobile Show, Electric Show, Gas Show, Women's Building, Food Show, Farm Implement Exhibits, Agriculture Show.

Not to mention free band concerts aerial acts and free shows . . . the INTERNATIONAL CENTER with exhibits of thirteen foreign countries, free MAGIC SHOW, PLANETARIUM.

Naturally, I'll be there to greet you . . . and to introduce you to my new pet Hereford. He's only 12 feet tall, but he's mighty cute.

Yessir. There's no doubt about it. We're Shootin' the Works, all right. It's the most extravagantzical, most colossal, most sensational fair of all . . . and it's the biggest state fair in the world! Come 'n see!

Mondrik's Minimax, during the current three weeks is presenting quality foods at great savings on Thursday, Friday, and Saturday.

Unlike the KINGS OF THE REALMS, Mondrik at the same time presents you with the opportunity to have a TV set to view while dining on his superior groceries.

Other gifts for which you may register are washing machines, ranges and vacuum cleaners.

Monday is wash day throughout the U.S. Register at MONDRIK'S MINIMAX to be eligible for one of the two Wizard washing machines. A CAMERON housewife may for the first time be able to get out the weekly wash and meanwhile she tends to the preparation of dinner.

That dinner may well include a meat loaf of ground beef at only 29 cents a pound, frozen black-eyed peas at the amazingly low price of four 10-ounce packages for 89 cents and a host of other foods on specials shown at the right.

Of course the laundry will be underway at this time with the SUDS OF TIDE - two large boxes on special at 49 cents.

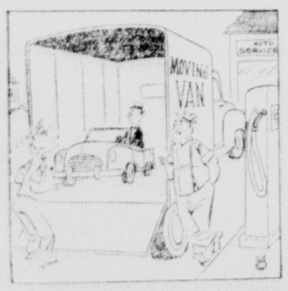
Another Milam County lady at the same time may be preparing her family's dinner of MONDRIK'S superior foods on a Wizard range. MINIMAX is presenting two such ranges to their customers each of these three weeks.

Once you enter MONDRIK'S to register for these prizes, you naturally will return again and again to take advantage of the low prices on his wide range of the best groceries available.

Now there is an arrow which points in the right direction. Directly at MONDRIK'S advertisement which is line after line of VALUES bringing Milam County shoppers flocking through the doors of MONDRIK'S MINIMAX on Thursdays, Fridays and Saturdays.

Each and everyone of these shoppers are invited — Yea, urged! — to register for one of the eight major prizes being given each of these three weeks. Included each week will be two Wizard Imperial vacuum cleaners.

Farmers and sufferers of this hot, dry weather, MONDRIK has no power to bring rain. Yet, with one of these fine vacuum cleaners, your wife can clean the house — and the family car — of dust. That is, if she can take the cleaner away from hubby or one of the children. The entire family will be so pleased with such a clean car ride as much — and we old age pensioners — as they are with the delicious meals prepared from MONDRIK'S better foods.



MONDRIK'S MINIMAX and you will stock up on groceries at great savings on EACH and EVERY item. You may even have to load the family auto into a moving van in order to get your many BARGAINS home.

Alcoa Board Votes Dividend On Common Stock

The Board of Directors of Aluminum Company of America has voted to declare a dividend of 30 cents per share on the company's common stock. The dividend will be payable December 10, 1956, to shareholders of record at the close of business on November 16, 1956.

The directors also voted to declare a regular dividend of 93¾ cents per share on Alcoa's $3.75 cumulative preferred stock, payable January 1, 1957, to shareholders of record at the close of business December 14, 1956.

City Bowlers Name Annie Schattle Prexy

The Cameron Woman's Bowling League, consisting of eight teams affiliated with the Woman's International Bowling Congress Inc.,

A city Association was formed with the following officers elected. President Annie Schattle; Vice President, Evelyn Burke; Secretary, Annie Hollas; Treasurer, Agnes Barton; Sgt. at Arms, Audrey Boyce.

The League started Bowling on September 17 and will run for 28 weeks. Weekly prizes will be awarded and spectators are welcome.

Marie Ann Laake is captain of the Woodum Auto Sales Company team. Her team was incorrectly listed in the last story.

In the first week of competition the New Cameron team led the field of eight teams with three won and one lost. Barbara Hollas of the Falstaff team picked up a 6-7-10 split.

Two prizes are given weekly by local business establishments with Evelyn Burke winning a set and shampoo from Audrey's Beauty Salon for highest score above the average. Veronica Michalka won a bottle of Aqua Marine Beauty Lotion from Arnold's Beauty Shop for low game of the week.

Vaculin team in second in the standing with 2½ games won and 1½ lost. National Hall third with two and two.

Other teams are Woodum, Green, Pearl, Coca Cola, and Falstaff in order of their place in the first week standings.

Jaycees Seek Outstanding Texas Young Men

It was announced today by Don C. Baker, Executive Vice President of the Texas Junior Chamber of Commerce, that the search for Texas' Five Outstanding Young Men has begun. Nomination Blanks may be obtained from the Texas Jaycees, Grand Prairie, by any interested individual or organization.

Each year prominent business, professional, and civic leaders act as judges and select five outstanding young men from Texas between the ages of 21 and 35 from nominations presented. The purpose of this program is to present to the world concrete evidence that success in our free enterprise system is still available to those individuals who strive to achieve. All Communists, or those known to have Communistic leanings, are excluded from any consideration.

Any young man between 21 through 35 years of age, who has not reached his 36th birthday any time during 1956, and who has been of service and is an outstanding example of the above precept and personal development, is eligible to be nominated as a candidate for recognition as one of Texas' Five Outstanding Young Men of 1956, according to Baker.

Last year's winners included Bill Allcorn, Brownwood; William Bellamy, San Antonio; Dan Eddy, Dallas; Jim Lindsey, Texarkana; and Dr. William S. McBirnie, San Antonio.

Deadline for making nominations has been set as December 3. Everyone is invited and urged to submit nominations of the young men, who, in their opinion, have been outstanding during the current year.

The attention of all Texas will be focused upon these five outstanding young men in Abilene, Texas, where an awards ceremony and banquet will be held on January 12, 1957 in their honor.

Extension Dairy Husbandmen R E. Burleson and A. M. Meekma, say that without good producing cows, well fed on good quality roughage, the prospects for developing a profitable dairy herd are slim.

Suddenly you know how modern a range should be—

flame-fast gas ranges

alone offer

no hangover heat!

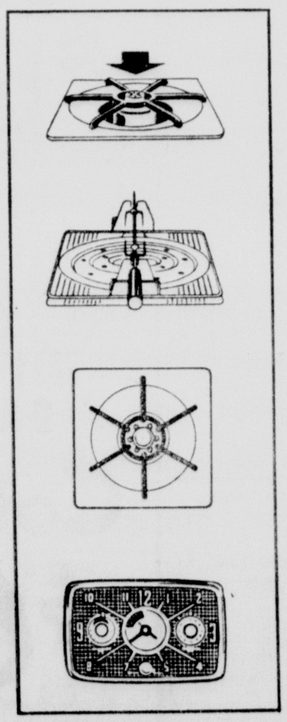
Only with exciting new features like these can you really cook modern!

Cook-Saver Automatic Top Burner Control. New flame-fast gas Cook-Saver holds pre-set temperature. Foods won't burn! Makes all your pans automatic!

Built-In Rotisserie. Broil meals indoors ...get that delicious flame-kissed "barbecue" flavor. Automatically turns out your favorite foods easily and deliciously.

Simmer Flame. On each burner, tiny points of flame make waterless, "vitamin-save" cooking a snap! Unlimited keep-warm and simmer settings.

Automatic Clock-Controlled Oven. Cooks whole meals while homemaker is away...turns on and off automatically. Even circulation of heat...use any rack position.



Smart Southwest Moderns now have a totally new standard for modern cooking. Excitingly beautiful flame-fast gas ranges have so many features—for example, truly clean, comfortably cool cooking because of *no hangover heat!* See for yourself. Turn the flame off under boiling water. Boiling instantly stops. There's no hangover heat on a gas range to cause boilovers or excess steam to make your kitchen hot and dirty. Means cleaner kitchens and less work. But with an electric range, boiling continues even after the cooking unit is turned off. Imagine the extra work and watching for you! No wonder smart women say truly modern cooking is cooking with flame-fast gas.

DON'T BE FOOLED...cooking with gas costs less. For what it costs you to cook electrically for *one* year, you can cook for more than *four* years with flame-fast gas!

SAFEST COOKING EVER! A.G.A. seal on each gas range assures reliability. Fire insurance statistics prove gas is safer!

SIZZLING TRADE-INS NOW on your old fashioned gas or electric range. Cook modern—change today to a new ultra-modern gas range.

see your gas range dealer or

LONE STAR GAS COMPANY

More than 85 out of 100 women cook with gas!

Clarkson Cemetery Meeting At Church Sunday, October 14

The Clarkson Homecoming and Cemetery Association will meet Sunday, October 14 at 10 a.m. at the Clarkson Church.

Reverend Bennie Goodwin, a former pastor of several churches of the county will be the speaker.

A program of song and fellowship will be carried out.

Everyone is urged to come and bring a lunch basket. Bread, drinks and barbeque will be supplied.

Five Area Students Attend Southwest Texas State College

Anne Hinyard, Nan Hurbert, Lankford Caperton, Nita Nabours of Cameron and Joe Dean Zajicek of Buckholts are among the 2,200 students registered at Southwest Texas State College this Fall.

The registration sets an all time high for the College, surpassing last year's top mark of 2,157. Freshmen accounted for 660 of the students registering this Fall.

All dormitories, including the two new air-conditioned girls' dorms, are filled.

Pleasure-Profit Club Distributes New Yearbooks

The Pleasure and Profit Club met Thursday, September 27th at the Magnolia House with Mrs. A. E. Jones as hostess. Sixteen members were present.

The meeting was called to order by the President, Mrs. E. J. Burkes. During the business meeting, the new club yearbooks were distributed. The club's scrapbook.

The program for the afternoon was given by a guest speaker, Miss Mary Randolph. She gave a delightful and informative talk using as her theme "Keys to Charm."

At the close of the meeting, the hostess served pie ala mode and coffee.

The next meeting will be October 11th at the home of Mrs. Leo Jackson.

Baptist Group Meets Today

Thirty eighth annual session of the Milam County Baptist Association of Texas meets today at The Meadowbrook Baptist Church in Rockdale. The meeting gets under way at 1:30 p.m. and will continue on through a night session which follows a 6 p.m. supper.

CAMERON HERALD CLASSIFIED ADS

Claude S. Robbins Jr. Takes Houston U. Co-ed As Bride

Claude S. Robbins Jr., son of Mr. and Mrs. C. S. Robbins of Rosebud and formerly of Cameron recently took Miss Doris M. Cushmeyer, formerly of Roselle Park, New Jersey, as his bride.

The bride is the daughter of Mrs. Martin J. Cushmeyer of Roselle Park, New Jersey.

The couple was married in the First Baptist Church in Galveston with the Rev. J. R. Hillman officiating and Mr. and Mrs. Milton Hillman serving as attendants.

Robbins attended Yoe High School and graduated at Salado High School and Durham's Business College, Austin. He is now a senior at the University of Houston and is employed in the Administrative Department of the Houston Packing Company there. Mrs. Robbins is a graduate of Roselle Park High School and Newark College in New Jersey. She also is attending the University of Houston and works at the Humble Oil and Refining Company. Both worked at one time for the U.S. Government in Germany.

The couple plans to live in Aspen, Colorado after Mr. Robbins which has been used since the club was organized in 1944, is now filled and another scrapbook will be started.

Triple Birthdates Celebrated At Sharp

Mr. and Mrs. George L. Schroeder and Arnold Marek of Temple were honored on their birthdays with a dinner at the Schroeder home on Sunday.

This was their fifth joint birthday celebration.

Each honoree was presented with a birthday cake.

Guests were: Mr. and Mrs. Arnold Marek and children of Temple, Mr. and Mrs. B. A. Miller and sons of Lexington, Mr. and Mrs. Arthur Inge and children of Buckholts, and Mrs. E. H. Schroeder of Sharp.

Milam H. D. Ladies Hear San Antonio Conclave Reports

Milam County Home Demonstration Council met Monday, October 1, at 2 p.m. in the Baptist Church Annex in Cameron.

The Council was one week late, so the delegates to the National and State Conventions in San Antonio could give their reports.

The group was called to order by Mrs. V. L. Angell, Chairman.

Recreation was omitted because of the convention reports.

Roll call was answered by 6 club presidents, 5 delegates, 5 council officers, five committee chairmen, THDA Chairman, and 3 visitors.

Mrs. Bernice Charles read a letter from the White Plaza Hotel, thanking the delegates for their visit and inviting them back.

Mrs. Hugh Wimberly, Chairman of the nominating committee, offered the following for nomination as council officers for 1957: Chairman - Mrs. W. W. Currey, Vice-Chairman - Mrs. Clyde Holliman; Secretary, Mrs. Joe Brown Treasurer, Mrs. Robert Jungmann They were elected unanimously.

The Milano HD Club reported that the club and community have organized a Civil Defense unit and had a practice alert Sunday.

The following Delegates reported on the National and State Conventions at San Antonio, September 23 through 28: Mrs. Hugh Wimberly, Mrs. Graham Young, Sr., and Mrs. Babe Yount. The reports were very interesting and the delegates expressed themselves as having a wonderful time and thanked Council for sending them.

Council voted to express their thanks to Mr. Babe Yount for taking the delegates to the convention and going back after them, thus enabling the delegates to return to the treasurer part of their expense money.

Badger Notes

One brilliant Buckholts student furnished the name of Benjiman Franklin as the discoverer of electricity when he went home and found one of his parents contending that the discoverer was Thomas Jefferson and the other giving the credit to Abraham Lincoln.

Parent - Teacher Organization Meet Tonight In Yoe Auditorium

Tonight in the High School Auditorium there will be a meeting of the Parents and Teachers to organize and become a member of the Texas Congress of Parents and Teachers. Membership dues will be 50 cents per person.

Membership in the Parents and Teacher Association offers opportunity:

1. To unite the forces of home, school, church and community in behalf of children and youth.
2. To promote an understanding of school, standards, objectives and activites.
3. To develop programs and study courses on the needs of children and youth and the responsibilities of parents.
4. To establish activities, constructive, preventive, protective.
5. To promote legislation for the welfare of children and youth.
6. To cooperate with other organizations in child welfare projects.
7. To develop informed members and efficient leaders.
8. To build a united community, state nation and world working together for the welfare of children and you.

It is not necessary for you to be a teacher or the parent of a child in school to become a member of this organization. If you are interested in the welfare of any child, ber.

Ben Arnold Club Plans Party For Saturday, Oct. 13

A Ben Arnold Community party is scheduled for Saturday, October 13 at the school beginning at 7:30 p.m.

Mrs. A. T. Swanzy, secretary-treasurer of the club reports that anyone can be a member of the Ben Arnold Community Club which is sponsoring this party. There are no dues for membership but there will be a small cover charge at the party.

President A. T. Swanzy in making the open invitation noted that domino tables will be set and many of those present will enjoy a "Do-Si-Do" session.

Two Cameronites In Baylor U. Golden Wave Marching Band

Rosemary Jones, daughter of Mr. and Mrs. A. E. Jones of 1105 E. 15th. Street in Cameron and P. Wayne Fisher son of Mr. and Mrs George Fisher of Route 3, Cameron are members of Baylor University's famed Golden Ave. band paraded a membership of 129 marching, horn-blowing, drum-beating students in its 1956 debut at the Baylor-Texas Tech football game here Saturday afternoon.

It was the biggest membership ever to march in the band's green and gold uniforms. The group will entertain spectators at all Baylor home games and also make certain road trips this fall.

Directed by Donald I. Moore, the band is regarded as one of the best marching units in the Southwest conference. Personnel of the band has been selected from careful auditions since the beginning of school.

42 Leisure Club "Back On The Job" After Vacation

The Forty-two Leisure Club with Mrs. Charles Payne as president went back to the tables after a summer vacation on Thursday, September 27 at the home of Mrs. W. M. Balhorn, 1208 West Main.

At a short business session the replacement of some departed members was discussed.

Mrs. August Kunz, a guest for the day won high score with Mrs. Frank Polansky taking second high honors. The club reporter, Mrs. Leo Laake held the 84 honors.

Guests were Mesdames Polansky, Tony Vogelsang and Henry Dreyer. Refreshments were sandwiches, potato chips, pickles, cake and cold drinks.

Chriesman Couple Wed 76 Years, Born In Central Texas

D. B. Worcester of Chriesman courted his "Queen" following their meeting at a square dance and when they have their seventy-sixth wedding anniversary October 13 she will wear a pink outfit designed and made by her niece, Mrs. Maurine Neumann.

Mrs. Worcester, born Jessie Ann Todd, at Maysfield. Her brother, Robert Todd, was a long-time sheriff of Milam.

Worcester, born near Cameron in 1861 says that the home where he was born had the doors hinged with wooden hinges.

The entire lifetimes of the couple have been spent in Central Texas where Worcester was a cattleman and farmer.

County Planners Organize To Up Milam County Farm Net Income

Sixteen farmers and livestock men met in the county agents office in Cameron, recently to organize a County Committee and name sub-committees for the purpose of increasing the income of the farmers in Milam county. The term FARMER covers all the various ways of making a living from the land or its products.

The following were elected as the officers of the County Committee: S. W. McClaren, Cameron Chairman. John A. Smith, Cameron, Vice-Chairman. Leon Noack Rockdale, Secretary-Treasurer.

The group named the following committees and members: CROPS - Chairman, Ed Pagel: John A. Smith, Carl Gonten, Gus Schramm, Robert Baring, Weldon Gilchrist, Anton Moraw, W. E. Beckhusen, Charles Hensley, and Dutch Baskin.

POULTRY - Chairman, Leo Fuchs; Arnold Glaser, Roy Wright, Hubert Jistel, Alton Fuchs, Robert Jungmann and Oscar Hentze.

LIVESTOCK - Chairman, Leon Noack, O. G. Tumlinson; Dana Monroe, Bill Crenan, John Batte, H. M. Yeager, Alvin Fuchs, Henry Abel, Ray Woods, and O. A. White.

RANGE MANAGEMENT - T. R. Allen, Chairman; Willie Glaser Charles McDermot, Dr. E. H. O'Neal, Guido Gersback, Henry Woods, J. L. Lamkin and F. H. Scarbrough.

SWINE - Chairman, Henry Richter; Willie Glaser, John Terry Yoakum, Corneilus Titsworth, Robert Jungmann and Hinton Pruitt.

4-H CLUBS - Chairman, Robert Jungmann; Marvin Pipkin, Harrison McLerran, Robert B. Fox, Arthur Inge, Mrs. Ray Schonhoeft, Willie Glaser, Carl Gonten, and Henry Richter.

HORTICULTURE - Chairman H. L. (Monk) Summers; O. T. Bullock, Arnold Butts, Otto Whiteley, Charlie Morgan, Boyd Stephens, P. W. Davis, Antone Anderle, Henry Schattle, Jr., and M. S. Croft.

IRRIGATION - Chairman, O. G. Tumlinson; Bill Howell, Wilbur Mode, Dr. E. H. O'Neal, L. W. Mueck, G. J. Woods, Lawrence McClaren, Dutch Baskin and Eddie Noack.

The following men attended the planning meeting: S. W. McClaren, John A. Smith, Ed Pagel, Leo Fuchs, Alton Fuchs, Gus Schramm, Robert Jungmann, Arthur Inge, Willie Glaser, Carl Gonten, H. L. (Monk) Summers, Arnold Glaser, Henry Richter, Anton Moraw, O. T. Bullock, Leon Noack, J. D. Moore, County Agent and Lester Byrd, Ass't County Agent.

Mrs. Fred Mortimor and children left Friday, September 21 for Oceanside California to join Sergeant Fred Mortimor who is in the Marine Corps at Camp Pendleton.

Farm Bureau Asks Concession On Freight Rates

The Texas Farm Bureau has asked the railroads serving drouth stricken areas to reduce freight rates on shipments of drouth-relief hay and grain.

J. Walter Hammond, president of the state farm organization, told H. C. Barron, chairman of the executive committee of the Western Traffic Association, that the drouth situation has become so critical many farmers and ranchers are being forced to liquidate their foundation herds.

"Unless immediate relief is forthcoming, there will be a mass exodus from the farms and ranches throughout the drouth areas," Hammond said. "I know that I need not remind you of the impact that such a situation will have not only on the business of the railroads, but on the economy of the nation as a whole."

The Interstate Commerce Commission recently authorized railroads to grant a reduction in rates to drouth-stricken areas.

Hammond, president of an organization which represents "over 67,000 farm and ranch families," urged the Western Traffic Association to give prompt consideration to the ICC order.

Railroads cooperated with federal drouth programs in the past by reducing rates to drouth areas by 50 per cent.

Outreach Committee Of Sharp Church Plans Study Course

The "Outreach committee" of the Sharp Presbyterian Church announces the study course "the Christian Mission in a Revolutionary World" to be held at the church each Sunday night October 7 through November 11.

This study will be divided into three age levels. The Juniors, age 6-11 under the leadership of Mr. and Mrs. W. E. (Bill) Brown, the Young People under Mr. and Mrs. Dwight Hine and the adults under Mrs. Lannis Petty.

The public is cordially invited to attend these studies.

Competition In Food Merchandising Holds Down Price Rises

That consumers are receiving the benefit of lower food price levels was indicated this week by the Consumer Price Index issued by the Bureau of Labor Statistics. Attention to these lower prices was pointed out by Mr. Earl Cliff, Dallas Division manager of Safeway Stores.

Mr. Cliff stated that the BLS Index, as released this week, discloses all food prices had declined 1.5 percent by mid-August from their seasonal peak in July. Foods consumed in homes dropped 1.8 percent at retail stores.

Futhermore this latest Index is 4.1 percent lower than the all-time peak in retail food prices reached in August, 1952—four yrs. ago. During those four years, incomes have continued to rise, with weekly earnings in manufacturning plants, for example, up about 19 percent. This means the average factory worker's paycheck now will buy about 24 percent more food than in August, 1952, Mr. Cliff siad.

"Anyone in our business knows, he explained, "that the food industry's modern methods and its competitive self-service retailers constantly press against rising food prices and help to translate our increased wages and higher consumer incomes into higher standards of eating."

INTRODUCING: Daniel, Deborah Lynn, six-pound, fifteen ounce daughter born September 24 to Mr. and Mrs. Bobby Daniel in the Breckenridge hospital in Austin.

Grandparents are Mr. and Mrs Jack Daniel of Sharp and Mr. and Mrs. O. E. Hart of Austin.

Aid For 20 Million Hungry Foreigners Is CARE Goal

Twenty million hungry people in 19 countries will be reached by the 1956 CARE Food Crusade.

In his announcement launching the nation-wide campaign, Murray D. Lincoln, President of CARE, said the food will be delivered in 5,000,000 packages containing an average of 22 lbs. of rice, beans, cheese, milk powder corn meal and flour turned over to CARE by the U. S. Department of Agriculture out of America's farm surplus.

Packages for each country vary according to the diets and needs of recipients, but each package provides enough vital supplementary nourishment for a family of four for one month. The non-profit overseas aid organization is asking Americans to contribute at the rate of $1 per package to cover costs of packing, handling and delivery in recipient countries.

"This is the greatest single goal CARE has ever undertaken," Mr. the American people upon whose Lincoln said, "and the success of support the whole program depends.

"One of its most significant features is that under CARE's unique system the name and address of the donor will go with every package delivered. Multiply this personal message of good-will by millions and you have the makings of a strong and enduring trust based on direct people-to-people communication."

Since most Texas livestock, due to the prolonged drouth, are being fed, the job of controlling lice and ticks can be effectively and economically carried out. Herds generally are confined to smaller areas and thus are readily accessible for spraying or dipping. Parasite free livestock will better utilize the feed they receive and wil go into the winter season in a stronger condition.

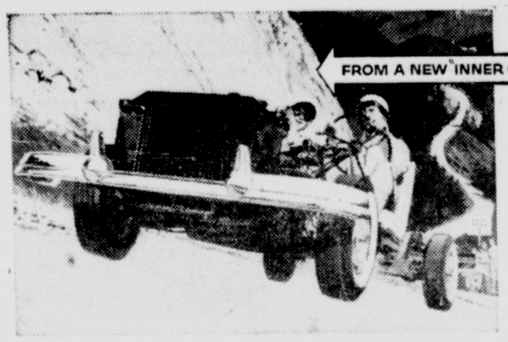
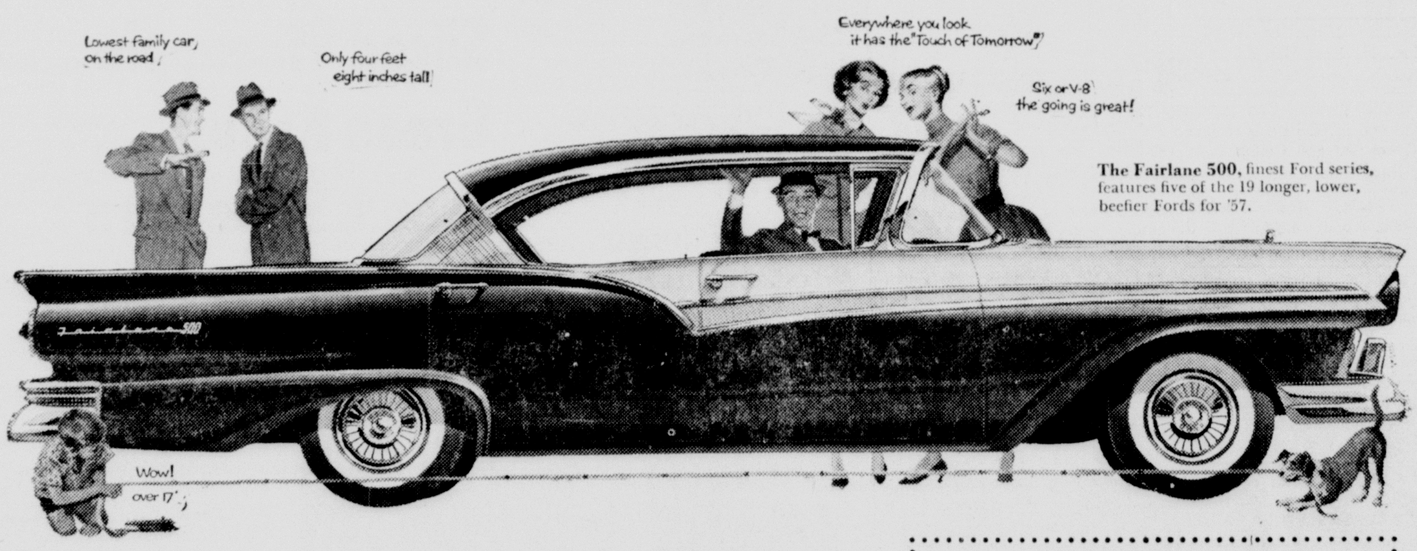
Here Today!



came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides you sweet and low . . . that it takes the bumps without a bobble, the curves without the pitch . . . and, that in power, it "takes nothing from nobody!" *Nothing on wheels hurries, handles or holds up like a Ford!*

A new kind of FORD with the mark of tomorrow



Lowest family car, on the road,
Only four feet eight inches tall!
Everywhere you look, it has the "Touch of Tomorrow"!
Six or V-8 the going is great!
Wow! over 17'

The Fairlane 500, finest Ford series, features five of the 19 longer, lower, beefier Fords for '57.

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts.

It's fun just knowing that others who see you wish they were *you*. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet . . . stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball-joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Fords library-like quiet is built in. And the new "Inner Ford" is why. For never before in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

IN TWO NEW SUPER SIZES

OVER 16 FT. LONG On a New 116" Wheelbase — 3 Custom Models — 2 Custom 300 Models

OVER 17 FT. LONG On a New 118" Wheelbase — 4 Fairlane Models — 5 Fairlane 500 Models

PLUS 5 NEW MODELS IN THE STATION WAGON SERIES

The Fairlane Fords for '57, like the Fairlane 500 models, have no equal . . . no counterpart, in the low-price field.

James T. Rogers On Naval Air Duty At Beeville

James Thomas Rogers, airmar, USN, son of Mr. and Mrs. Harry Rogers of 707 North Central Ave., Cameron, Texas, reported for duty September 11, 1956 at the Naval Auxiliary Air Station, Chase Field, at Beeville, Texas.

Rogers, who entered the Naval service December 7, 1955, reported to Chase Field from the Naval Air Technical Training Center at Olathe, Kansas, before entering the Navy, Rogers attended Yoe High School.

Chase Field is the Navy's only "all-jet" Naval Air Training Center for student carrier pilots. Here they are taught to fly the TV-2 jet trainer and the F9F Panther jet, a combat-type jet fighter.

Rogers is presently undergoing a week's indoctrination prior to being assigned to one of the divisions of the Chase Field Aircraft Maintenance Department.

Assignment America Assemblies Of God Enlargement Theme

Rev. B. L. Laughlin, pastor of the First Assembly of God Church at 1515 North Houston, announces a month of special visitation activities in the First Assembly of God Church during October.

Assemblies of God churches all over the nation will sponsor similar campaigns. "Assignment America" has been selected as the theme for their annual Sunday School enlargement program. Friends and neighbors in the territory surrounding the church will be invited to attend the First Assembly of God Church if they do not already have a church home, stated the pastor

The Campaign will be launched with a special Sunday School Rally Day on October 7.

Pastor Laughlin states that on the last Sunday of October attendance for his Assembly will be reported to the denominational headquarters in Springfield, Missouri. A report of the attendance of all Assemblies of God Sunday Schools will then be given over their international broadcast — REVIVAL-TIME.

The Assemblies of God have become well known for their Sunday School emphasis and are recognized as one of the fastest growing denominations today. In 1954 the denomination conducted the world's largest Sunday School Convention in the Kiel Auditorium St. Louis, Missouri, with over 11,000 registered delegates.

LITTLE RIVER PHILOSOPHER SAYS HE FAVORS 4-DAY WEEK FOR THOSE WHO WANT TO WORK THAT MUCH

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River discusses work this week, a subject he's as familiar with as he is high society

Dear editar:

I visited my neighbor's house the other night to return a news paper I'd borrowed a couple of weeks ago and when I walked in

he held his finger up to his lips in a sign to be quiet, he was watching television, and since I didn't have anything else to do, which I under stand is the frame of mind you've got to be in to get the most out of your set, I sat down and watched too.

But the program he thought was coming on failed to show up on account of a political broadcast which I really preferred anyway, and I was interested in what the speaker, who happened to be Vice President Nixon, had to say.

He talked a good while, but the thing that made me sit up was his statement that this country is heading toward a 4-day week Work four days, take off three. He said though for us not to look to the government to bring this a bout, it'd have to be up to indus try and the people.

Now, while I've never had much use for a man who had to ask the government how many days a week he had to work, I'd like to say too that as far as I'm concerned I don't want to have to ask industry or the people, either. I don't want to ask anybody. I'm in favor of everybody or anybody having the freedom to work four days a week, if he wants to work that much.

I understand there has been some disscussion and possibly mis understanding over a Congressional candidate's visiting Washington and saying the troubles of the small farmer wouldn't be so great if he'd get up and go to work This seems to just exactly backwards to me.

The trouble with the farmer, big or little, is that he's been working too much, or how else do you explain the surpluses? As I see it there are two ways to avoid a surplus: (1) consume more of it, or (2) stop producing so much of it. And up to now, it seems like all the brains have been devoted to producing it, at least the people in charge of increasing the consuming part do not seem to be holding up their end.

I don't want to be bragging, but it looks like I've been way a head of the rest of the country. I tried the 4-day week long ago, but my trouble is that when I got my work week down too nothing, it took care of the over-production end, but threw a monkey wrench in the consuming end.

The trouble with this country is it's got to the point where it's a lot easier to put groceries on the store's shelves than it is to take them off. You or Congress one ought to work on that end of the problem.

Yours faithfully,
J. A.

Sixteen Burleson County Fair Ready For Three Big Days

Final preparations for the sixteenth annual Burleson County Fair have been completed and, with Pioneer Days in Texas History as the 1956 theme, President of the Fair Association Joe H. Siptak expects several thousand people to jam the grounds on highway 36 for the three big days, October 4, 5, and 6.

Under direction of Steve Shiller for the giant opening day parade titled "Texas History" will get moving from the Santa Fe Depot East on Buck Street to the square at 2 o'clock Thursday afternoon. Official opening of the fair will take place on the grounds at 3 p.m. Don Brasher's famous American Midway Shows will be on the warpath to offer fun and entertainment to the kiddies and the adults alike. It's the first appearance of the American Midway Shows in Caldwell in aobut four years.

One of the big Thursday night features at 9:30 following the Coronation of the Queen will be a fireworks display which is expected to thrill the several thousand visitors on hand.

At the Fair Grounds after the game will be a free act featuring Suko the Magician and Ronaldo, who will bring acts of Magic and mystery.

The fair will come to an end Saturday night with livestock auction sales beginning at 7:30 p.m. and drawing for commercial prizes at 9:30. Other drawings will be held at 9:45 and 10:00 p.m.

Carnival shows will be open day and night for the full three days.

☆ News From Sharp ☆

Sunday visitors in the home of Mr. and Mrs. Charlie Leonard were her brother, Mr. A. D. Voyles, Sr., and his son A. D. Jr.; Mr. and Mrs. Frank Hertenberger and Mrs. Al Kaminesky of Cameron.

Graduates Radio School Pvt. Albert N. Burnett

Pvt. Albert N. Burnett, 22, son of T. F. Burnett, Cameron, recently was graduated from the radio relay and carrier operation course at the Army's Southeastern Signal School, Fort Gordon, Ga.

The eight-week course trained Burnett to operate and maintain field radio relay, carrier and associated equipment.

Burnett entered the Army in November 1955 and completed basic training at Fort Ord, Calif.

He was graduated from Yoe High School in 1951 and was employed by the Alcoa Aluminum Company in Rockdale before entering the Army.

If soil samples are to be submitted to the Soils Laboratory for testing, now is the time to get them in. M. K. Thornton, extension agricultural chemist in charge of the lab, says business is slack and fast service can be assured.

Hogg Foundation Puts Outstanding Lecturer On Lyceum

The Hogg Foundation of Mental Hygiene, in cooperation with the Texas Society for Mental Health and its local affiliates is presenting a distinguished lecturer for the 1956 lyceum circuit.

Dr. John R. Rees makes a continuous study of mental health programs in action.

A psychiatrist and world leader in the mental health field for many years, Dr. Rees has written several books and numerous articles on psychiatry and mental health. Since 1949 he has been director of the World Federation of Mental Health.

Texas' possible contributions to mental health programs, including hospital progress, are discussed by Dr. Rees. He believes that many problems and activities of groups in Texas can be useful both in improving our own programs of prevention and treatment and in aiding such programs in other parts of the world.

AE-3 Harold Dean Caldwell Marries At Washington Base

Aviation Electrician Third Class Harold Dean Caldwell, son of Mr. and Mrs. B. C. Caldwell of Cameron exchanged wedding vows with Miss Kathleen O'Connell, daughter of Aviation Ordinance Chief P. R. O'Connell and Mrs. O'Connell of Jacksonville, Florida.

Wedding ceremonies were in the Chapel of the Naval Air Station on Whidby Island, Oak Harbor, Washington.

The Caldwells will make their home in Oak Harbor Washington for the next two years. The couple went on a short honeymoon trip to Centralia, Washington.

AE-3 Caldwell has been in the Navy for the past two years. He has a brother, Billy Caldwell, also in the Navy who is stationed, following leave in Cameron, at the Balboa Naval Hospital in San Diego, California.

Farm tractors can be killers. says W. L. Ulich, extension agricultural engineer, when they are operated in a careless manner. He urges all operators of tractors and power driven farm machinery to always guard against using practices which involve the element of chance. Tractor fatalities have been on the increase in Texas this year.

Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to —you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tidelands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise.

"I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother Kefauver and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:

"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep up OUT of war.

That's why I still like Ike—better than ever!

Yours truly,
Tex

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

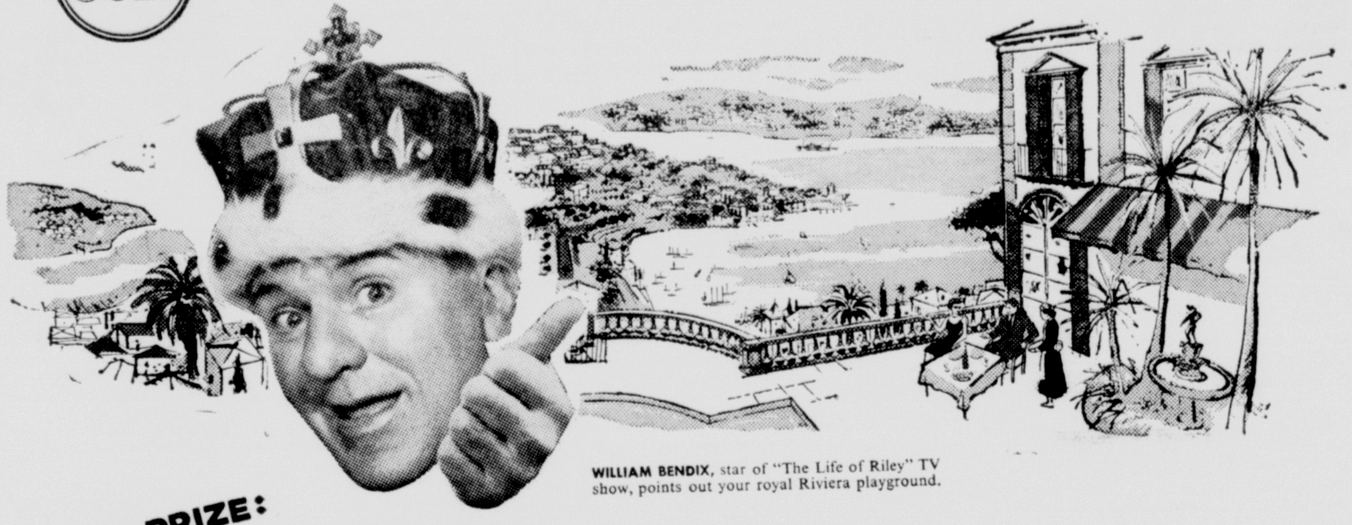
GULF

Enter Gulf's "Life of Riley" Contest



WILLIAM BENDIX, star of "The Life of Riley" TV show, points out your royal Riviera playground.

GRAND PRIZE:

LIVE THE LIFE OF RILEY IN A PALACE ON THE RIVIERA

WIN 30 FABULOUS DAYS WITH $200 A DAY TO SPEND

Fly via a luxurious PAN AMERICAN Super 7 Clipper

Fly direct to Nice, France, in 20 hours, via *the world's most experienced airline.* Live in a Riviera mansion for four fabulous weeks. Reign in a royal home, with all modern conveniences.

Servant staff, luxury furnishings, glamorous patio, private swimming and boating facilities . . . all this and more . . . all yours in a stunning setting on the Mediterranean!

It's a once-in-a-lifetime trip for two. You enjoy scores of exciting holiday adventures—with $200 a day to spend! Your own limousine whirls you through a gay round of gala events in nearby Nice, Cannes and other Riviera playgrounds.

A world of pleasure awaits you. Golden beaches, festive occasions, dazzling scenery . . . sports, pleasure, regal relaxation . . . you live the Life of Riley for a magnificent, memorable month!

Simple to enter—Easy to win!

Just complete this jingle. Enter as often as you wish. All entries must be on official Contest Entry Blanks, which contain complete contest rules. Get yours *free* at any Gulf station. Contest closes midnight, Oct. 31.

Gulf No-Nox is the gasoline
That's famous 'cause it burns so clean.
Fill up at Gulf and you will see

(*Make your last word rhyme with "see."*)

Clean-burning No-Nox gives you many more miles of new-car power!

HINTS TO HELP YOU WIN!

1. No-Nox *burns clean* because Gulf refines out the "dirty-burning tail-end" found in ordinary gasoline.
2. No-Nox combats formation of carbon deposits which "shrink" engine power.
3. No-Nox protects your engine, keeps new-car power intact for thousands of extra miles.
4. Gulf No-Nox is a high-octane gasoline—gives more miles per gallon in short-trip driving.

WATERSHED —
1. A Project 2. A proven interest by a large number of people 3. Organization.

In these projects it is the responsibility of the District to furnish the easements for the structure sites. (Most all to date have been donated). It is the responsibility of the District to operate and maintain these structures and to administer the building contracts.

Vernie C. Marshall, former Executive Director of the State Soil Conservation Board and present Agriculture Representative of the Temple National Bank pointed out that flood damage is three times as much in small watersheds as in large watersheds. The benefits to the Elm Creek Watershed from a project of this kind will be four and one half times the estimated cost, and because of the vast benefits there are no limits to the effects of a project of this kind to the surrounding communities and to the nation Marshall said.

Mr. Young stated that the structures normally from 2 to 3 thousand feet long and approximately 56 feet high sometimes take 30 days to drain down to their normal size of 15 to 35 acres. They are designed to take care of a six inch rain over the entire watershed. Young compared the planning of these structures to the traffic survey in large cities. Lights are timed to keep traffic moving without bunching. These structures do the same for our flood water.

J. W. Holmes, Frank Maruna and Frank Stavinoha were elected to serve along with A. W. Reese and Walter Rachni as committeemen from Bell County. Ed Pagel, Albert Matula and Bartle Crennan were present for the meeting as Milam County committeemen.

YOEMEN —
capped.

Marlin will be bringing a team of large men, both versatile and speedy, to meet the Yoemen.

Every man on this opposition team is a power house but the Yoemen had better keep an eagle eye on Dan Kubish, 170-pound back, and Sam Byer, 190-pound tackle. At the same time they will have to be primed to stop any of those other Marlin men.

Greatest gains by the Marlin eleven have been on the ground. However, those Yoemen backing the line must keep an alert watch for possible passes which has occasionally paid off for their opponents in previous games this year. Such was included in a long completed pass for a touchdown in the Marlin-Rosebud game.

In the win-loss tally, the Yoemen have had two losses this year as compared to only one loss for the Marlin roster. That Marlin loss was to McGregor.

Cameron Yoemen can win this week. They can lose! Should they hit the field tomorrow night feeling a little too cocky or with the idea this game is in the bag, they can retire for the night with a loss. However, if they go forth to battle realizing that even the worse teams of which Marlin is not one, have days when nothing can go wrong and fighting as if they were facing Oklahoma, they should win. But not by a large score.

Coach Jackson's tentative lineup for the night will be Bobby Elliott, QB, 11, 150; Hubert Marek, LH, 20, 160; Johnny Davis, RH, 35, 135; Guy Dillon, FB, 40, 190; John Solomon, C, 57, 165; Paul Hoelscher, RG, 66, 180; Lee Hollas, LG, 80, 150; Monroe Bayer, RT, 78, 201; Sidney Koranek, LT, 72, 165; Ray Green, RE, 83, 170, and A. Malek, LE, 77, 170.

A tentative line-up for the Marlin team was unavailable.

B. J. Baskin Dies In Bryan

Benajah Jefferson Baskin, 57, of Bryan died at his home at 11:45 p.m. Friday following a long illness of several months. Mr. Baskin was the brother of Mrs. Rosalie Robinson and A. H. Baskin, both of Cameron.

Mr. Baskin was a former resident of Cameron himself. During his residence here, he served as farmer supervisor for his father. He served as a county farm agent worked with the Tennessee Coal and Iron Company and immediately before illness forced his retirement from business, he was secretary of the Polled Hereford Association with offices in Bryan.

Survivors besides his brother and sister in Cameron are his widow, two sons, George K. Mallard and Kinney Baskin and a daughter, Marcia Baskin, all of Bryan, and a sister, Mrs. Anna Lou Wendt of Vernon, Texas.

Funeral services were held at 4 p.m. Sunday from the Hillier Funeral Home in Bryan. Interment followed in a Bryan cemetery.
